

# RECYCLING TIPS!

## Gravette Rural Recycling Program

OPEN 24 HOURS PER DAY / 7 DAYS PER WEEK

RECYCLING TRAILERS ARE LOCATED AT:

**BETWEEN CITY HALL AND THE POLICE STATION ON HIGHWAY 59**

Sponsored by the City of Gravette and  
The Benton County Solid Waste District (479) 795-0751

Contamination of recyclables (such as mixing types of materials, dirty material, etc.) may cause a portion of the material to be discarded instead of being recycled. Proper preparation of your recyclables helps to ensure that the material will be recycled into usable products. Keep recyclables as dry and clean as possible. Here are a few more tips to follow:
